

## Downtown Ventura-Harbor Trolley Set Time Schedule

We've listened to rider feedback and have created a set schedule for the trolley. The route will now take a full hour and will be consistent with the below departure times. Please allow 5-10 minutes variance due to passenger load, traffic, unforeseen circumstances, etc. The times in bold are set and will never vary. The trolley will make a routine stop at dashed locations between the two bolded times. Hotels will still need to call for pick-up, and the trolley will arrive between the bolded times below.
